Names of others with Parental responsibilities

When the child lives with someone other than his or her parent(s), the school needs details of those persons who have parental responsibility. This is always the natural mother and, where parents were married at the time the child was born, the natural father also retains parental responsibility.

Emergency Contacts

Very occasionally a child needs urgent medical treatment and then it is essential that we or the hospital are able to get in touch with you. It would also help if you indicate any medical conditions your child has which you feel the school should be aware of.

These are very important to us. If your child becomes ill during the day, we need to be able to contact someone acting for you who is able to collect your child. Please give two emergency contact numbers. We suggest the telephone numbers of any place of work and one other emergency contact, perhaps a grandparent if they live close by. If you have no relatives in the area, then ask a friend, neighbour or childminder if they would be willing to act as an emergency contact.

Notes

1. Children should be registered by the surname on their birth certificate *unless* their name has changed, in this case, it should be shown after legal name and in brackets, e.g Smith (Jones)
2. A child's chosen, or familiar name is the first name by which they *like* to be called in school.
3. Give the names of *both parents* and anyone who is not an actual mother or father but who lives with the child and helps to bring him or her up. Unmarried fathers need not be included unless they have obtained parental responsibility.
4. Please enter one of:
MARRIED, DIVORCED, SEPARATED, UNMARRIED, WIDOWED
5. In which order should these people be contacted? You should enter these in the order in which you would like us to contact them.
6. For *each person*, choose one of the codes below and enter it in the "relationship to Child" column. The code selected should be the one which best describes the person's relationship with the child.
PAR = natural mother or father
ADP = adoptive mother or father
STP = carer who is a spouse or partner of the mother or father and who is living with the child
GRP = grand parent
NGB = neighbour
FOS = Foster carer
REL = other relative

If categories are needed which are not listed here, please advise the school.
7. Please put **Y** (yes) and **N** (no) against *each person* to show who has 'parental responsibility' under the Children Act 1989. The people with legal authority for the child are:
(a) *married* | *separated* | *divorced* parents - *both* parents have parental responsibility, even if they do not live with the child.
(b) *unmarried* parents - *only* the mother has parental responsibility unless the father has abstained it by agreement or via a court order.
(c) *other* people - only have parental responsibility through court orders, etc., -step-parents do not have parental responsibility automatically but are still "parents" while they live with the child; there may, however, be times when the signature of those with parental responsibility will be required.
